

Santia's Legacy of Love

Life is not measured by the number of breaths we take but by the moments that take our breath away.

By 18, Santia Feketa had lived a life filled with moments of loving, caring, laughing, and sharing. She volunteered to help others, shared her smile and her friendship with everyone she met, and was always helping someone. To honor the memory of this special young woman, please join in helping create Santia's Legacy of Love - a scholarship that will allow Santia's memory and giving spirit to live on for years to come.

100% of all food, beverages sold benefit Santia's Scholarship.

To help raise funds for Santia's Scholarship, the Van Duzer Foundation, in cooperation with 20 local sponsors, will give 20 individuals a chance to win a 2017 Chevy Spark from Gilbert Chevrolet.

20, \$1,000 sponsors = \$20,000, and 20 chances to try to win a brand, new car.

But you'll have to work for that car.

Twenty contestants will be selected at random- one contestant for each \$1,000 sponsor. The contestants will try their hands' at keeping their hands on the car, but only the last contestant left standing will take home the car.

This could take all night - or longer! The last contestant standing will win the car. (They'll have to pay taxes and title, though, so it's not completely free) A list of rules can be found at www.vanduzerfoundation.org.

If you're interested in sponsorship, please call 772.528.3467 today.

Sponsorships are limited.
